RE: Sedation LEVEL II Permit course approval, Continuing Education Approval

Dear Dr. Reed,

The Kansas Dental Board's sedation course review member has approved your application for continuing education credit for the following course and has approved the course for Kansas dentists as meeting the standards required for training for a Level II permit for adult parenteral conscious sedation:

"Parenteral Moderate Sedation"

The Board has approved this course for **102 hours** of CE. You must give certificates to those attendees **UPON COMPLETION** of the course. Without a certificate of completion, the Kansas Dental Board will not recognize the continuing education. You may reference the number above on your certificate for identification.

You might be interested to know that the Kansas Dental Board does accept any continuing education approved by the ADA Continuing Education Recognition Program (C.E.R.P). In order to receive approval as an ADA CERP provider you must contact the American Dental Association, Continuing Education Recognition Program. Their address is 211 E. Chicago Ave., Chicago, IL 60611. They also have a web site available at <http://www.ada.org>.

Sincerely,

Vanda Collins  
Senior Administrative Assistant

I am going to visit with Drs. Durbin....and then to a Dr. ? Johnson regarding the xrays of the elderly patient who had her teeth extracted.

Does it matter which Dr. Durbin? And which Dr. Johnson in Topeka am I supposed to contact?
